

C. BABY SAFETY

MODULE 8

Making your baby's world as safe as possible is part of being a parent.

Watch your baby so that he or she does not get hurt. Never leave an infant alone - not even for one second - except in a safe crib.

All the items your baby uses must be safe and well made. These items are: strollers, high chairs, clothing, toys and pacifiers.

Consult the Ottawa Public Health Information Line (OPHIL) at 613-580-6744, [Health Canada](http://www.healthycanadians.gc.ca/index-eng.php) : <http://www.healthycanadians.gc.ca/index-eng.php> , [Transport Canada](http://www.tc.gc.ca/eng/roadsafety/menu.htm) : <http://www.tc.gc.ca/eng/roadsafety/menu.htm> , [Canadian Pediatric Society](http://www.caringforkids.cps.ca/handouts/kidssafe-index) : <http://www.caringforkids.cps.ca/handouts/kidssafe-index> , or [Safe Kids Canada](http://www.parachutecanada.org/safekidscanada) : <http://www.parachutecanada.org/safekidscanada> for more information about child safety.
